

Job Posting

Breakthrough Autism is all about helping children with autism reach their full potential and recognizing them as the wonderful individuals that they are. A key part of our Applied Behaviour Analysis (ABA) services is making sure that families are a part of the teaching process. In fact, it's our ultimate goal to empower families with the knowledge, strategies and tools that will enable them to be a member of our team and create teachable moments for their children on their own.

Instructor Breakthrough Autism Centre Richmond Hill, ON

Do you have a desire to make a difference in the lives of children with autism? If you are looking for a meaningful role that provides training and a team-centered, supportive environment, then Breakthrough Autism Centre is the right fit for you!

We are looking for energetic individuals to join the Centre as Instructors and deliver front-line Intensive Behavioural Intervention (IBI) and other Applied Behaviour Analysis (ABA) services. Instructors work approximately 20 or more hours per week at the centre and in clients' homes during regular business hours, some evenings, and Saturdays. This position is for a one-year contract with the possibility of becoming permanent at the end of the contract.

What you'll be doing:

- Delivering direct IBI programming and other ABA services
- Working one-to-one and in small groups with children with autism
- Monitoring each child's progress
- Liaising with parents on an ongoing basis
- Working at the Centre or in clients' homes

The individual we are looking for has:

- Previous experience working with children; experience working with children with special needs is considered an asset
- Enjoys working with children and has endless energy and patience
- Completed or working towards one of the following: Behavioural Science Technology Diploma, Autism Behavioural Science Certificate, Early Childhood Education Diploma or Degree, Child & Youth Worker Diploma, degree in Psychology, Social Work, or related field
- Strong interpersonal skills with the ability to communicate professionally with parents/guardians
- An ability to work collaboratively within a team environment
- Eager to learn and accept feedback for continuous improvement
- Has a valid driver's license and access to a personal vehicle to travel to clients' homes
- Has the flexibility to work regular business hours, some evenings and Saturdays

What's in it for you?

- The satisfaction that comes with making a difference in the lives of children with autism and empowering their families
- Working with a fun and experienced team
- A comprehensive training program in a highly-supportive environment
- Tuition reimbursement and supervision hours for the Registered Behaviour Technician (RBT) training
- BCaBA supervision hours if applicable

Interested? Please send your résumé, along with a cover letter, to careers@breakthroughautism.ca referencing code "BA-WS-2017" in the subject line.

Breakthrough Autism is committed to making the recruitment process accessible to all candidates; accommodations are available upon request.
